NEW WATER AND SEWER DISCOUNT PROGRAM FOR LOW INCOME RESIDENTS

The Franklin County Board of Commissioners today approved a resolution authorizing a discount program for low-income water and sewer customers. The Franklin County Department of Sanitary Engineering provides water and sewer service to approximately 40,000 residents, largely in the Darbydale area and Prairie Township, and operates one water treatment plant and five sewage treatment plants. The Low Income Water and Sewer Discount Program will offer a 20% discount on charges for water and sewer usage to customers who meet income requirements.

An application for the discount is available at <http://CleanWater.FranklinCountyOhio.gov>. Residents may also call 614/525-3940.
